

Merchant Services Online Access

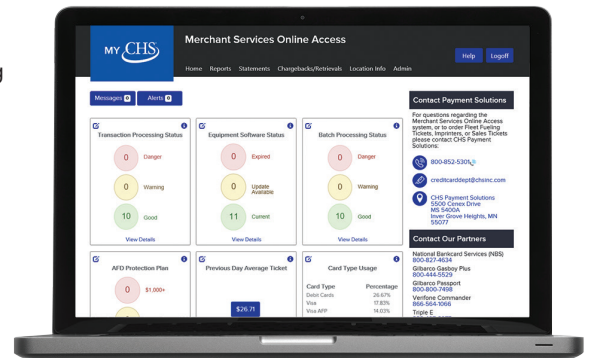

CHS Payment Solutions' online reporting tool.

What is Merchant Services Online Access (MSOA)?

Time can be one of the most valued resources in today's business world.

Merchant Services Online Access (MSOA) was created to give you a time-saving tool that brings all aspects of business reporting together into one place.

MSOA is a free resource that allows you to easily manage credit card details across locations. It provides access to store deposits, batch summaries, statements and more all online for convenience. Some of the most utilized reports offered include Transaction Detail, Location Batches by Post Date, and ACH Deposit by Location. MSOA streamlines reporting, simplifies managerial tasks, and saves time overall, allowing you to maximize productivity.

What are the benefits?

- **Convenient** access any time and anywhere.
- Homepage **Dashboard** for important location info at a quick glance.
- Access to **10+ reports** for handling day-to-day store processes.
 - 18 months of historic data
 - Specific transaction details
 - Thorough monthly statements
- Urgent **alert banner** to notify you of network outages and timely news.

3 Steps to gain access and start using MSOA today
